

# HYGIENE RULES – IMPORTANT

## In the kitchen:

Please clean the stove after you have used it.

You also have to clean the sink after using it.

Please also clean the oven.

You have to pick up food that has fallen to the floor and throw it into the garbage bin.

It is forbidden to throw diapers into the kitchen garbage!

---

## In the sanitary facilities:

---

Used toilet paper is being disposed by flushing the toilet. Toilet paper does not belong into the bin.

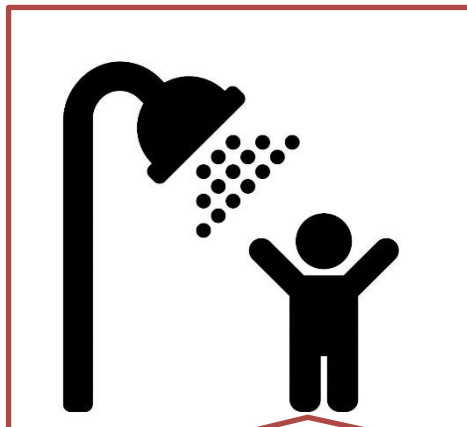

Please sit down while using the toilet. You have to make sure that your urin and feces are only landing in the toilet.

You have to take your personal washing cans into your room. Otherwise they will be removed.

Please remove soiling in the toilet with the toilet brush.

When your children are taking a shower you have to watch out and clean after them.

After showering please push the water into the drain.

---

It is not allowed to leave excrements in the shower!

---

---

Empty bottles have to be thrown away.

---
